Compassionate care, on your side

Lakeside Hospital
LCMC Health

For more than 40 years, Lakeside Hospital has provided the knowledge, expertise, and specialized care vital to the healthcare needs of Jefferson Parish.

Almost a million of the babies born in Jefferson Parish over the past six decades were born at Lakeside Hospital. Founded in 1964 as a maternity hospital, Lakeside is known for extraordinary care treating women and babies, while our services have expanded to meet the healthcare needs of the whole family.

Our unique history and growth

| 1964	2005	2015
Built and opened in 1964 as a 94-bed facility	Lakeside merged with Tulane Medical Center, changing its name to Tulane Lakeside Hospital, and was on of the few facilities to remain open throughout and after Hurricane Katrina.	Celebrating a milestone—Lakeside Hospital delivered it's 100,000th baby.
